EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

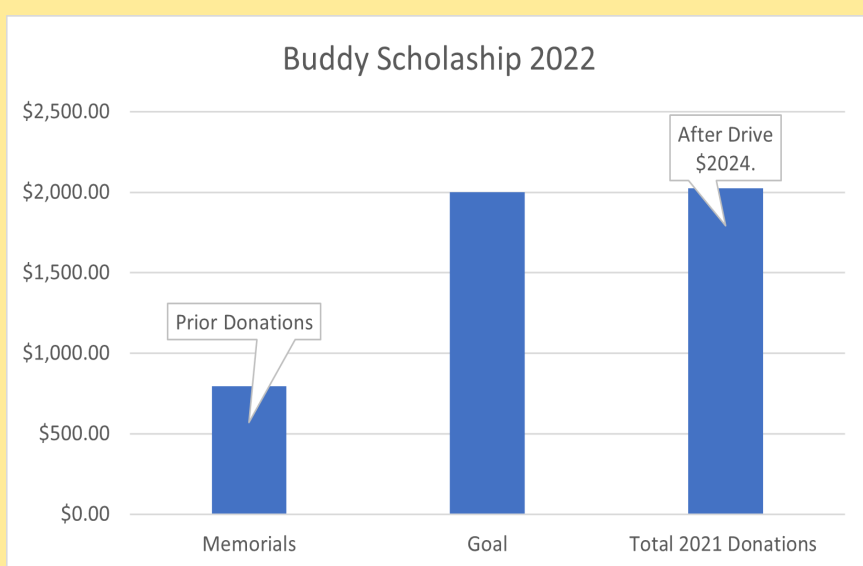

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

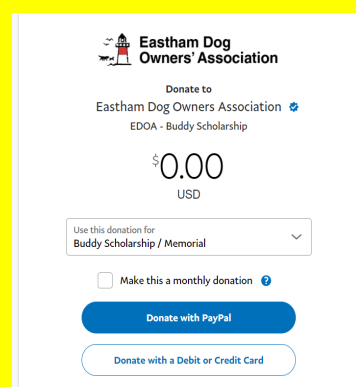

We believe in supporting our community. This is one more way. What a great organization!

Thank you—Thank you!

- Funds come primarily from memorials for dogs that have passed. Memorial pages are a permanent part of the EDOA website.
- Many memorial donors contribute for friends whose dogs and even other dog lovers have passed.
- Starting in 2013 with an expected award of \$500, we have been able to award up to \$2000 with the generosity of the EDOA community.

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

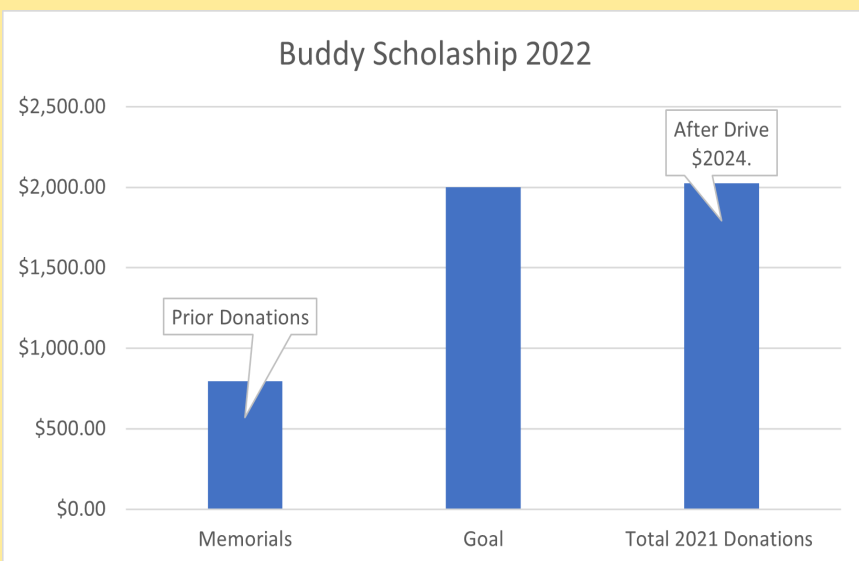

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

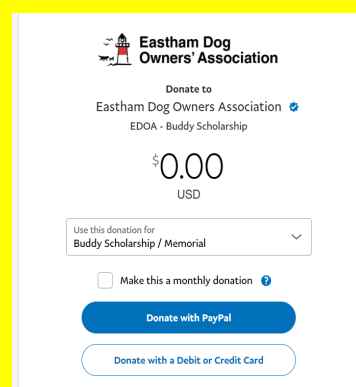

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

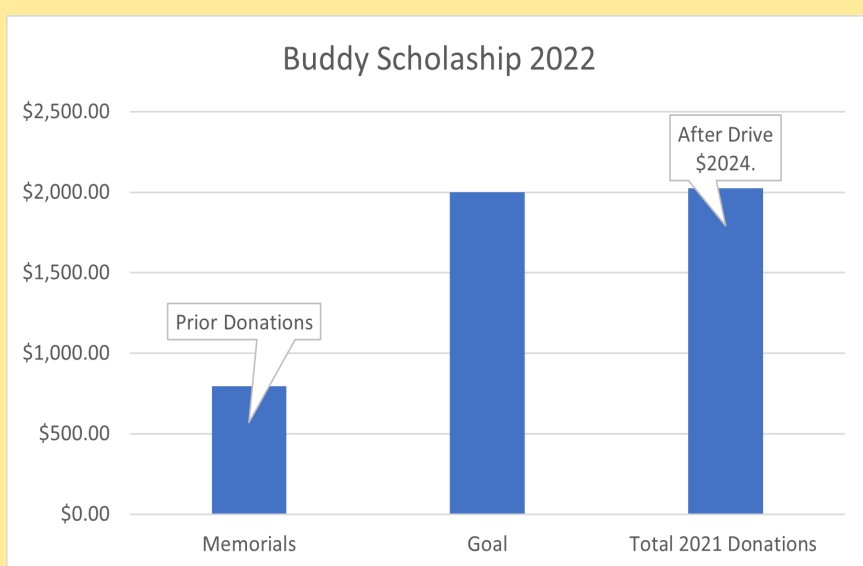

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

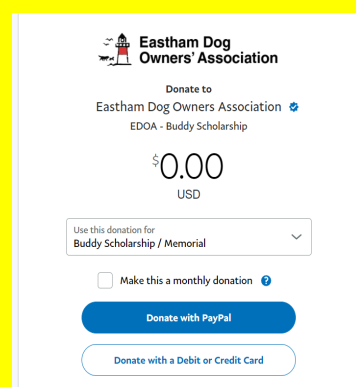

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

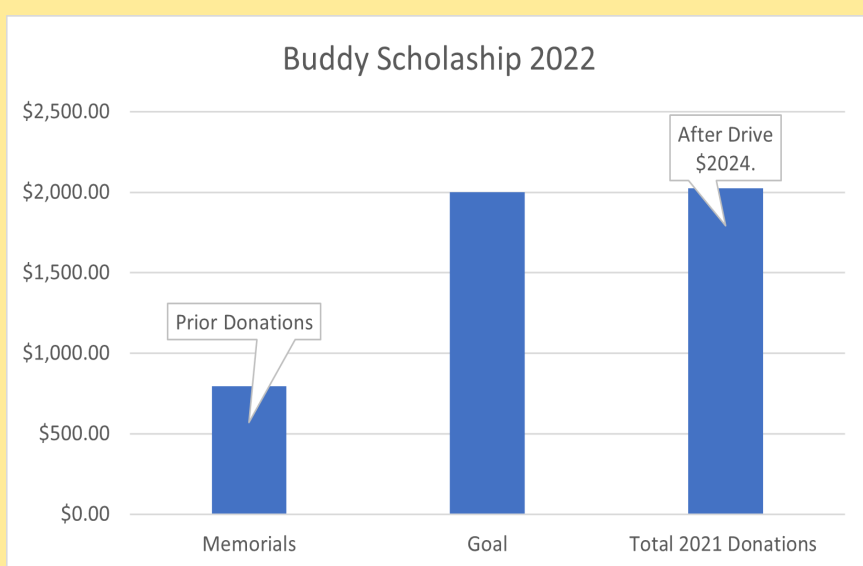

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

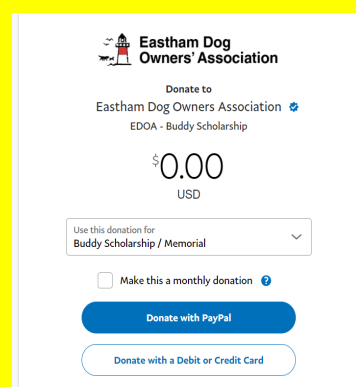

We believe in supporting our community. This is one more way. What a great organization!

- Funds come primarily from memorials for dogs that have passed. Memorial pages are a permanent part of the EDOA website.
- Many memorial donors contribute for friends whose dogs and even other dog lovers have passed.
- Starting in 2013 with an expected award of \$500, we have been able to award up to \$2000 with the generosity of the EDOA community.

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

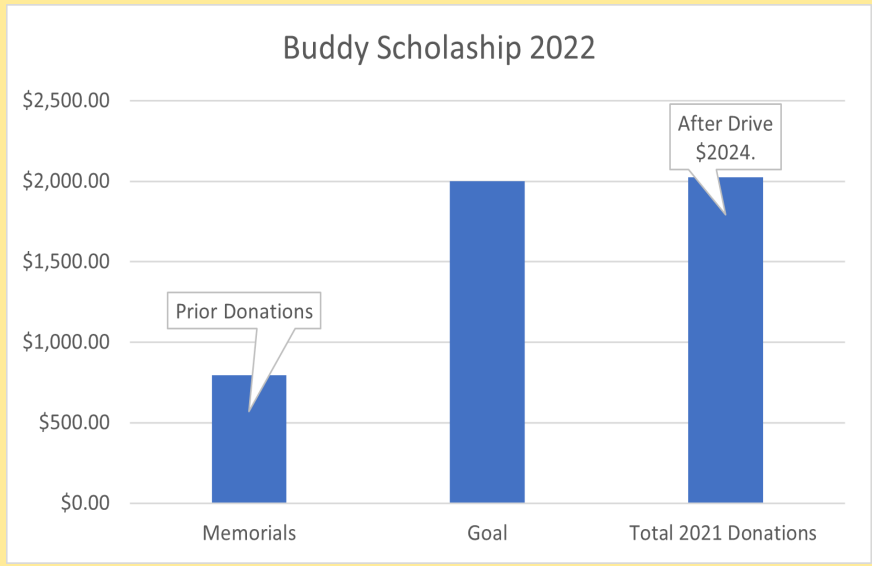

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

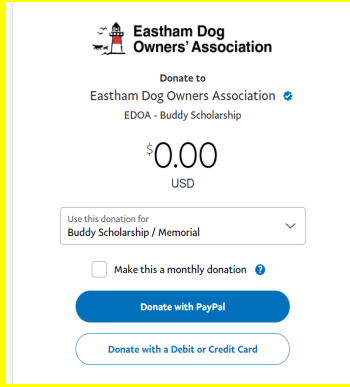

We believe in supporting our community. This is one more way. What a great organization!

Thank you—Thank you!

- Many memorial donors contribute for friends whose dogs and even other dog lovers have passed.
- Starting in 2013 with an expected award of \$500, we have been able to award up to \$2000 with the generosity of the EDOA community.

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

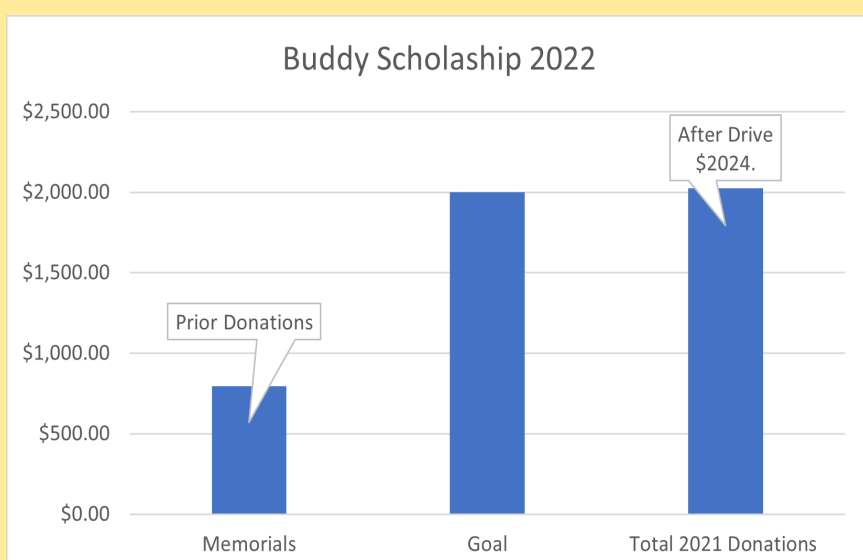

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

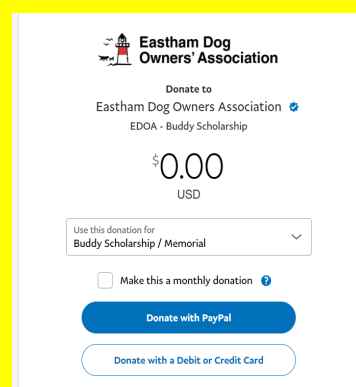

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

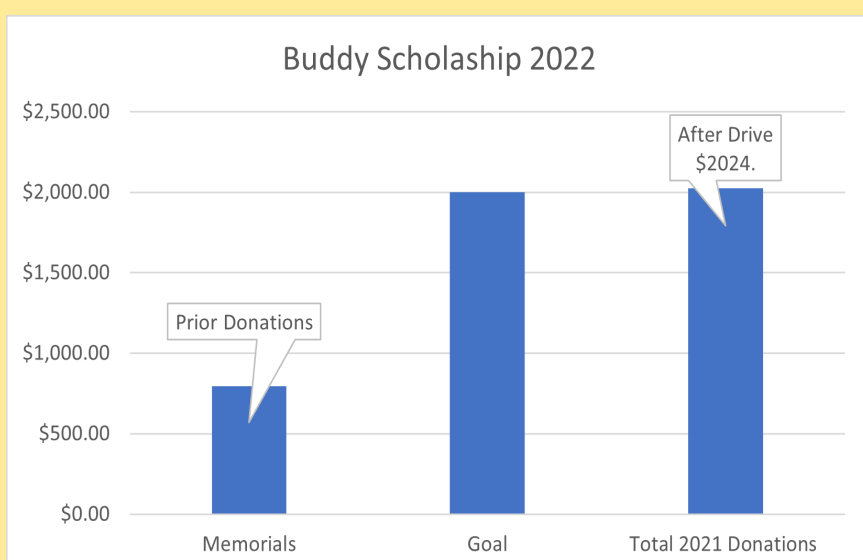

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

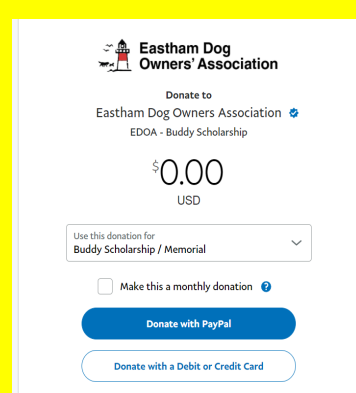

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

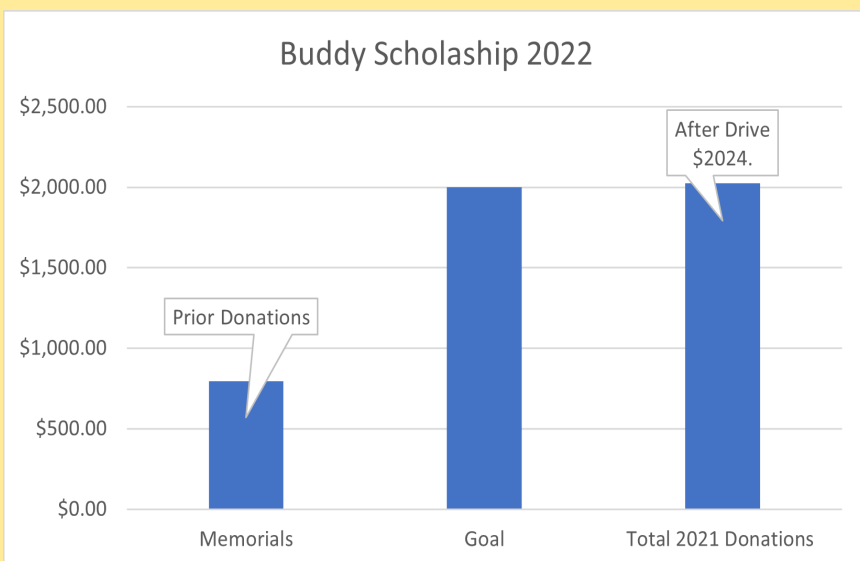

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

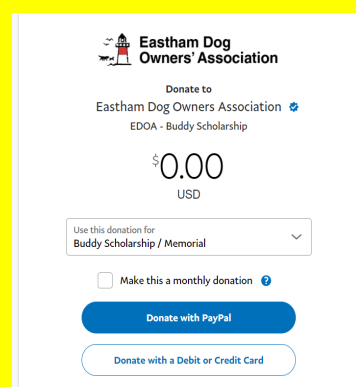

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

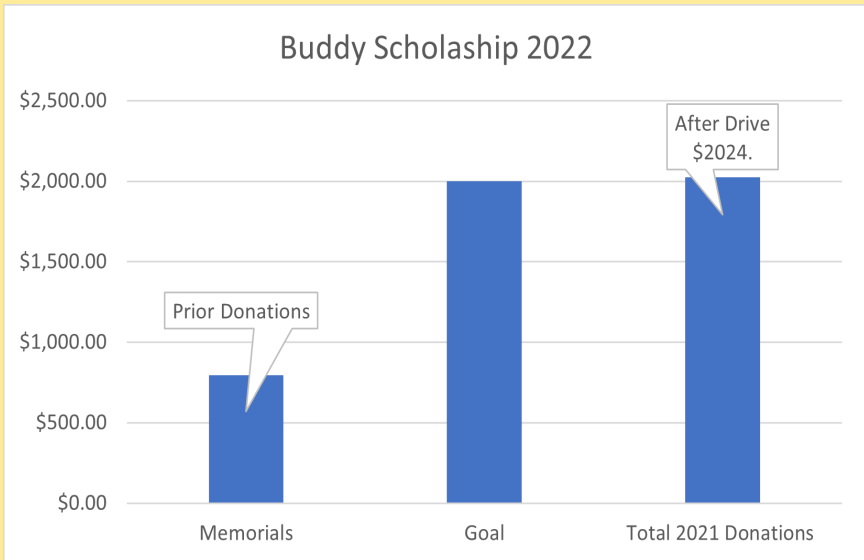

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

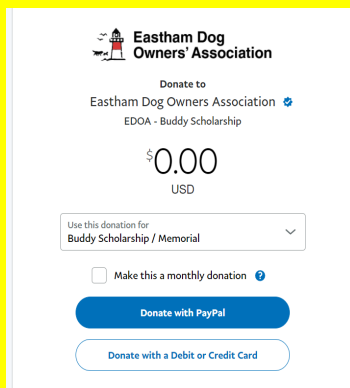

We believe in supporting our community. This is one more way. What a great organization!

The Buddy Scholarship Fund

Since 2012 EDOA members have been making contributions to EDOA's Buddy Scholarship Fund. First awarded in 2013.

- The fund provides scholarships to local students furthering their education in the general fields associated with pet care.
- 100% of the contributions each year are distributed to students.
- Funds come primarily from memorials for dogs that have passed. Memorial pages are a permanent part of the EDOA website.
- Many memorial donors contribute for friends whose dogs and even other dog lovers have passed.
- Starting in 2013 with an expected award of \$500, we have been able to award up to \$2000 with the generosity of the EDOA community.

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

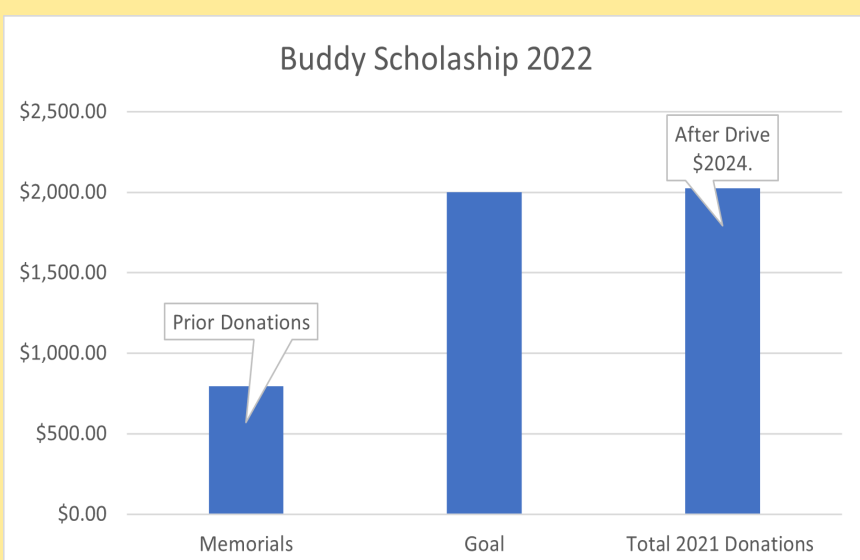

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

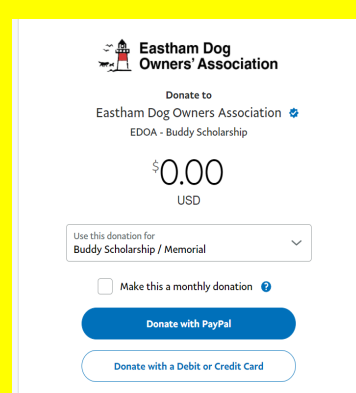

We believe in supporting our community. This is one more way. What a great organization!

Thank you—Thank you!

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

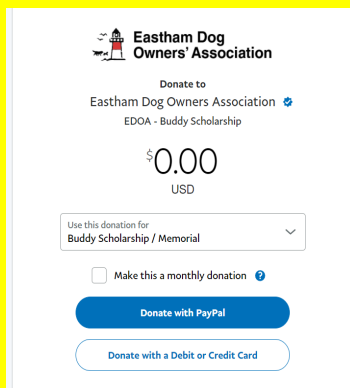

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

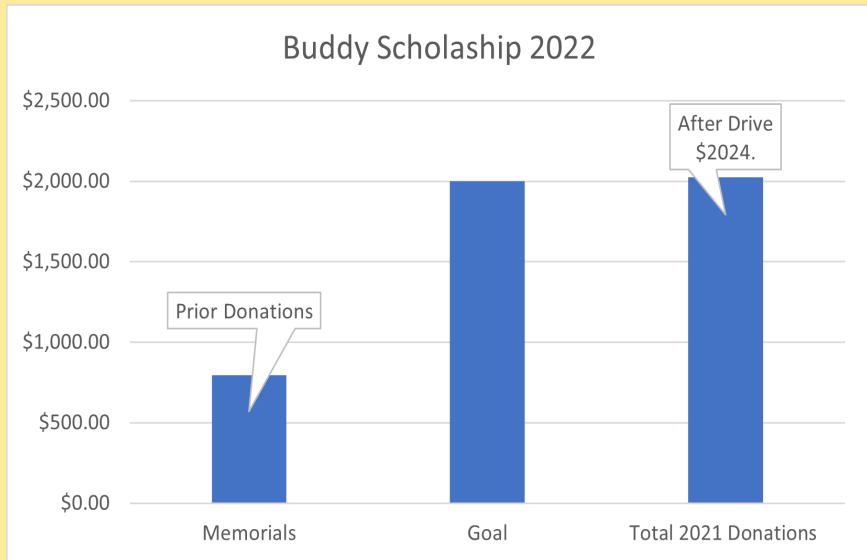

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

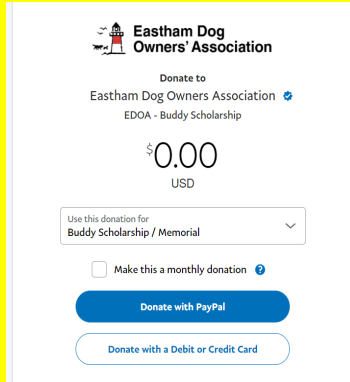

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

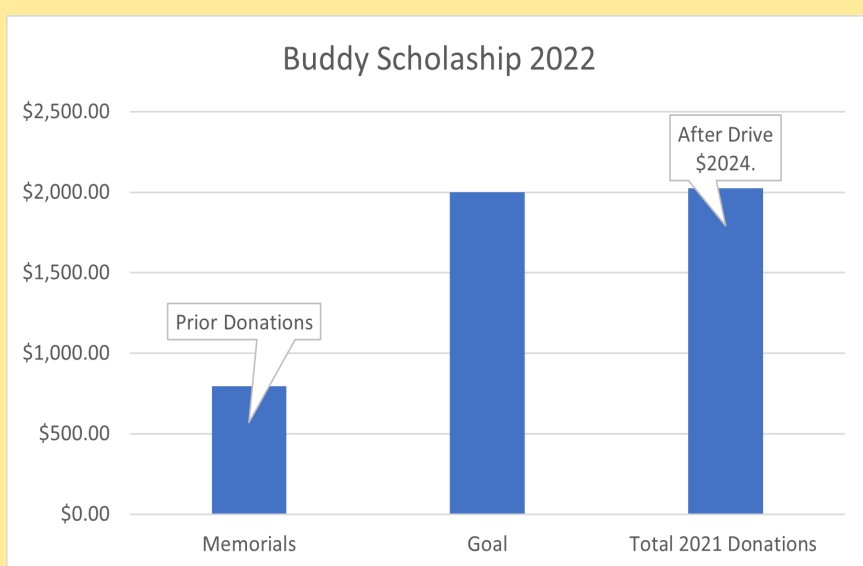

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

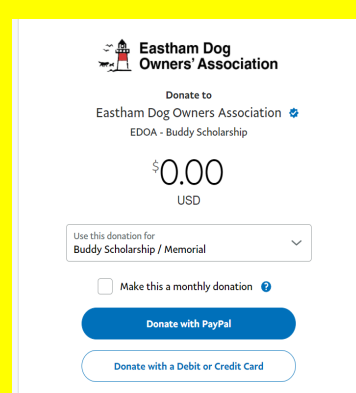

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

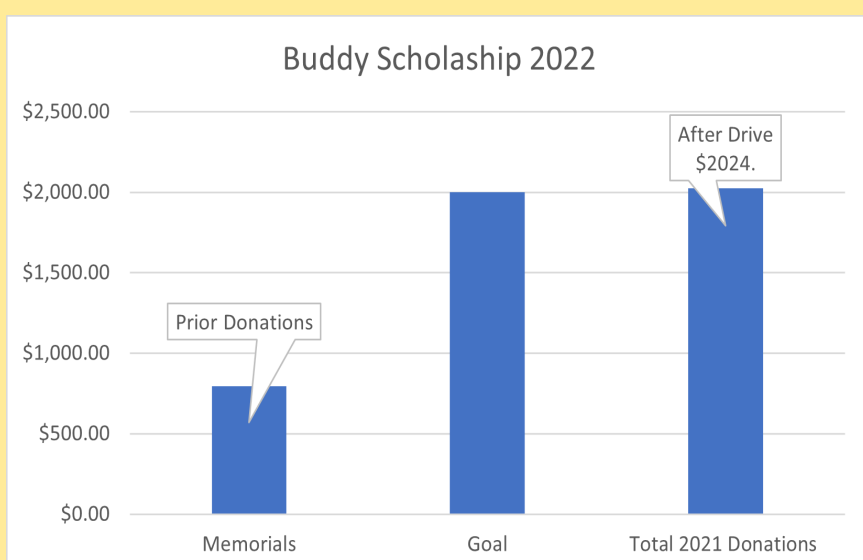

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

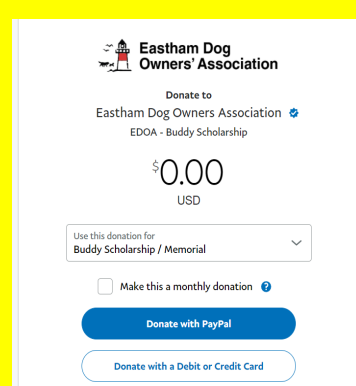

We believe in supporting our community. This is one more way. What a great organization!

- Funds come primarily from memorials for dogs that have passed. Memorial pages are a permanent part of the EDOA website.
- Many memorial donors contribute for friends whose dogs and even other dog lovers have passed.
- Starting in 2013 with an expected award of \$500, we have been able to award up to \$2000 with the generosity of the EDOA community.

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

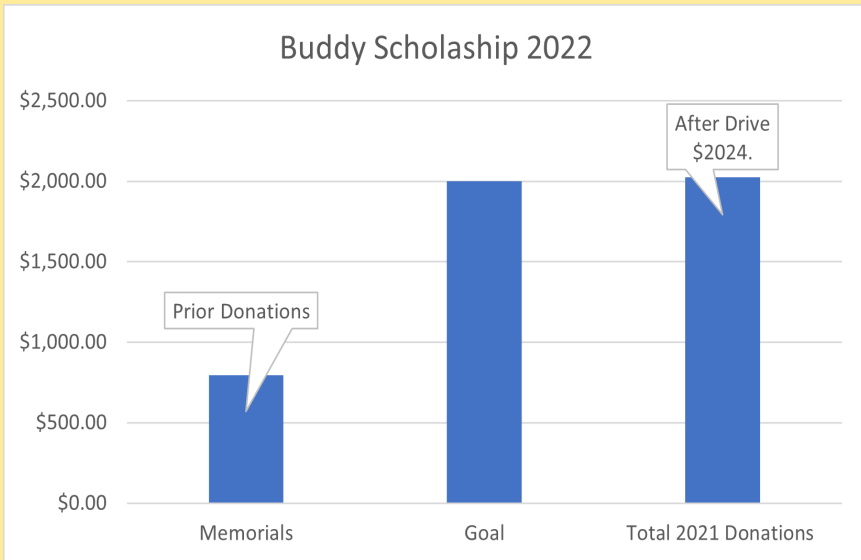

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

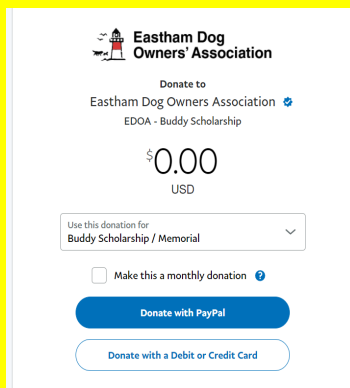

We believe in supporting our community. This is one more way. What a great organization!

Thank you—Thank you!

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

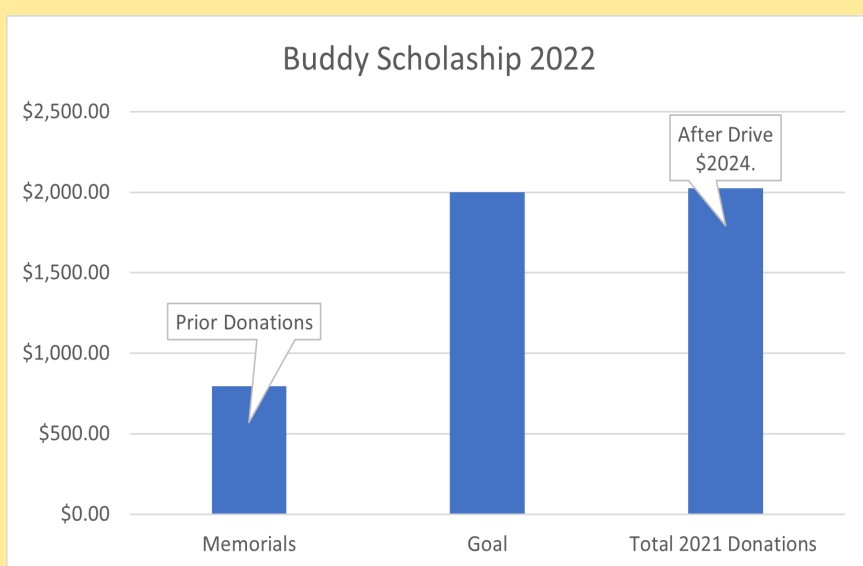

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

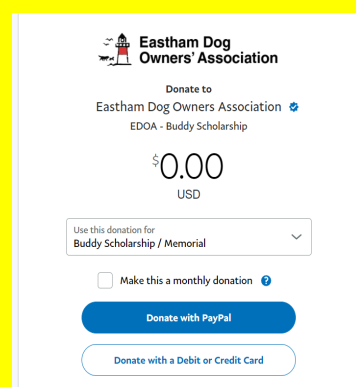

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

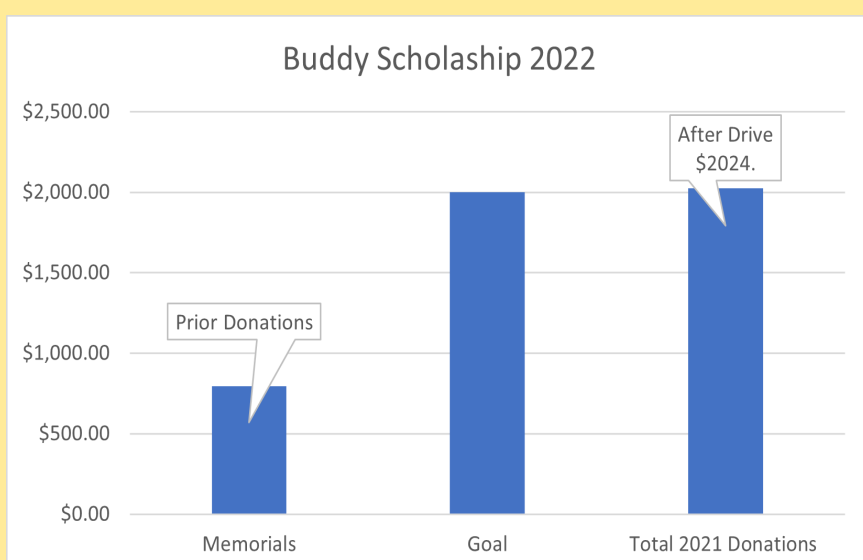

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

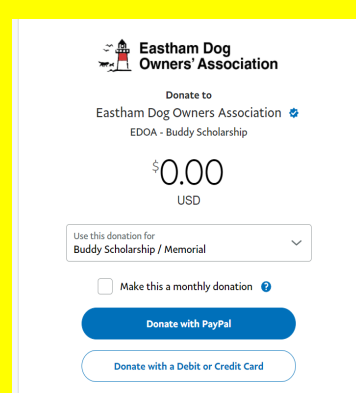

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

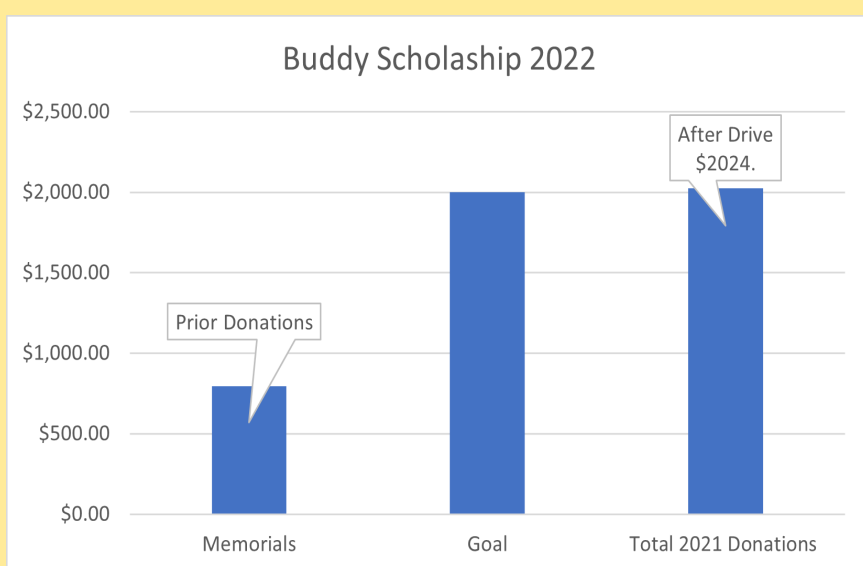

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

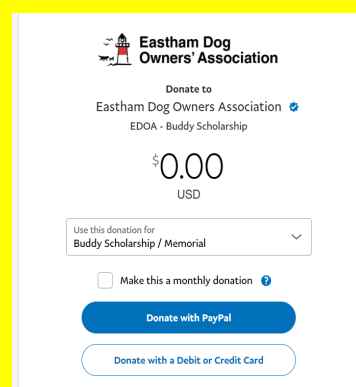

We believe in supporting our community. This is one more way. What a great organization!

- Funds come primarily from memorials for dogs that have passed. Memorial pages are a permanent part of the EDOA website.
- Many memorial donors contribute for friends whose dogs and even other dog lovers have passed.
- Starting in 2013 with an expected award of \$500, we have been able to award up to \$2000 with the generosity of the EDOA community.

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

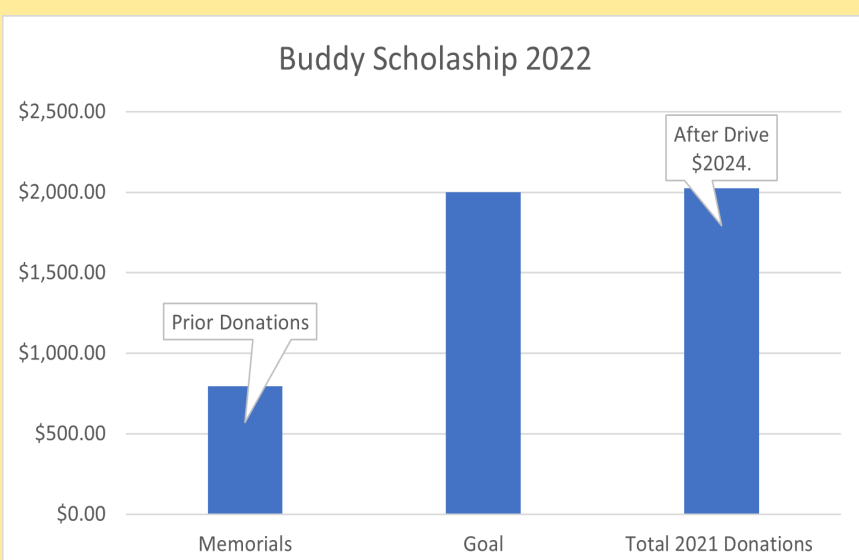

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

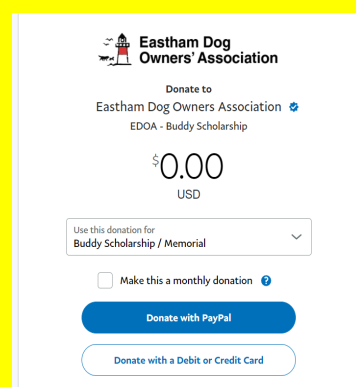

We believe in supporting our community. This is one more way. What a great organization!

Thank you—Thank you!

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

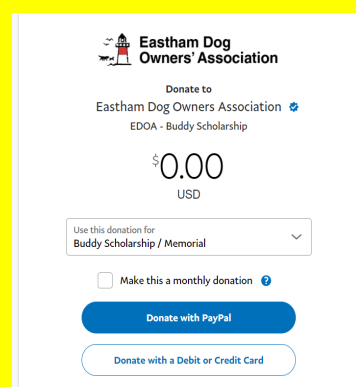

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

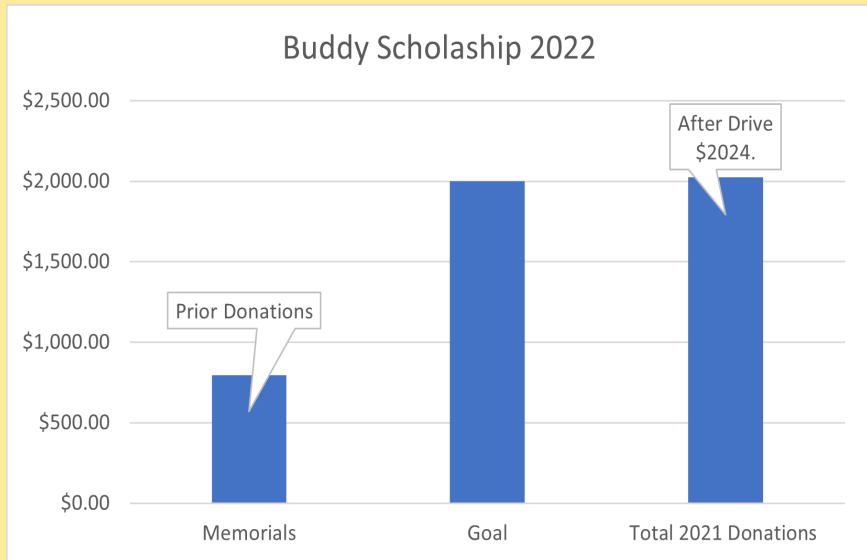

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

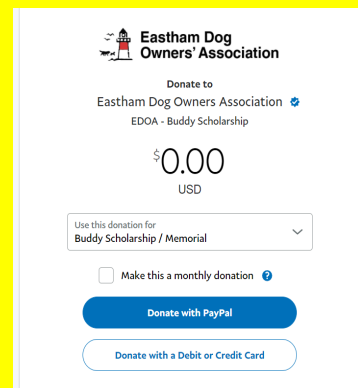

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

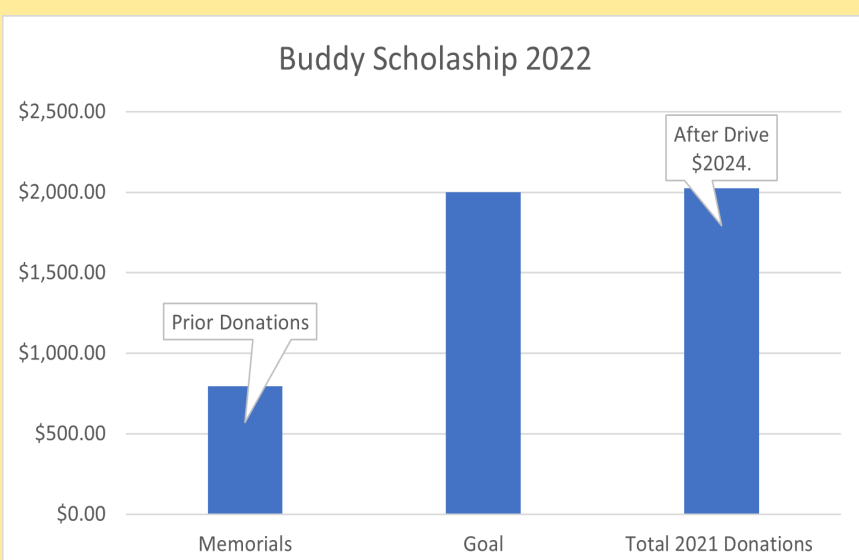

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

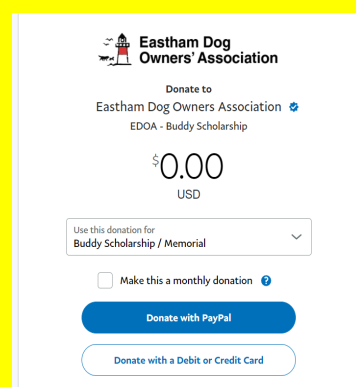

We believe in supporting our community. This is one more way. What a great organization!

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

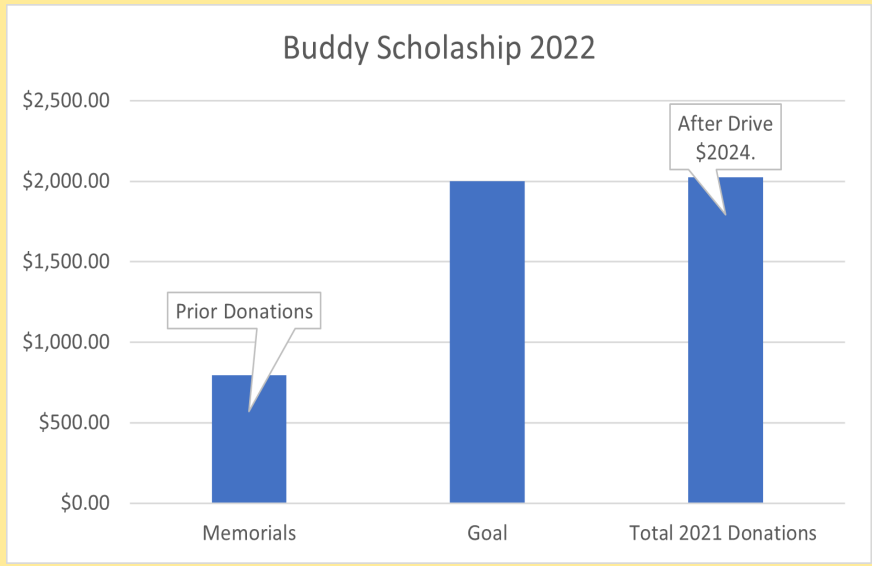

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

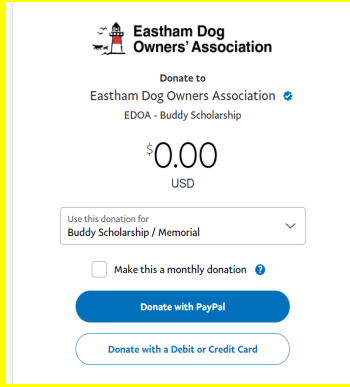

We believe in supporting our community. This is one more way. What a great organization!

- Many memorial donors contribute for friends whose dogs and even other dog lovers have passed.
- Starting in 2013 with an expected award of \$500, we have been able to award up to \$2000 with the generosity of the EDOA community.

EDOA Supporters Reach Goal for Scholarship

In just a few days the Eastham Dog Owners have reached their goal of \$2000 in support of the Buddy Scholarship. This matches the largest amount provided by the scholarship in its 8 year history.

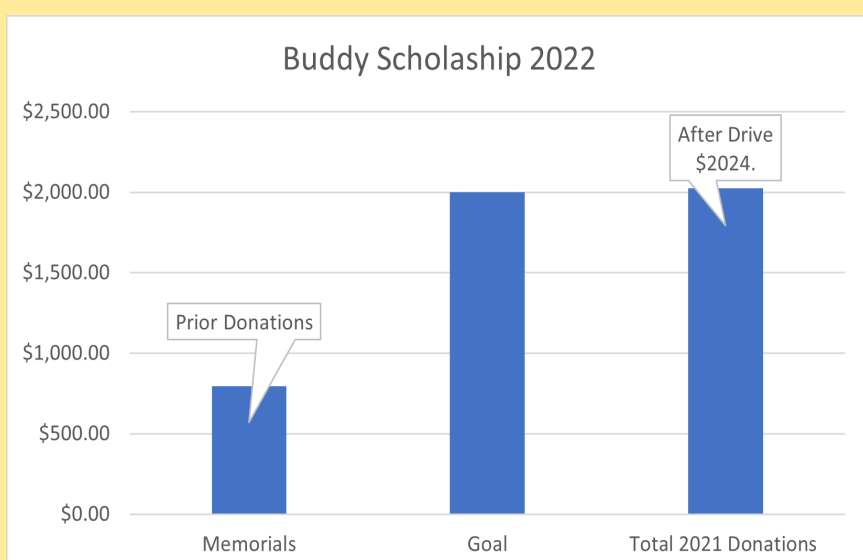

A call went out through this e-newsletter just 3 days ago and was picked up by the Eastham Chamber of Commerce and reposted to its member organizations. The response was strong and fast.

Any additional funds collected by December 31st will be added to the award, as is our policy of distributing 100% of the funds collected in a calendar year to the scholarship recipient.

The award is also funded by memorial donations made in the name of the pets of members and friends of members. Donors receive a web page on the EDOA site honoring those dogs with pictures and comments from our "family".

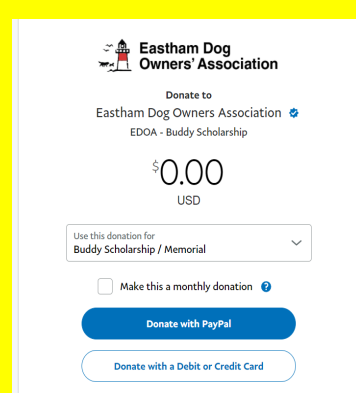

We believe in supporting our community. This is one more way. What a great organization!

The Buddy Scholarship Fund

Since 2012 EDOA members have been making contributions to EDOA's Buddy Scholarship Fund. First awarded in 2013.

- The fund provides scholarships to local students furthering their education in the general fields associated with pet care.
- 100% of the contributions each year are distributed to students.
- Funds come primarily from memorials for dogs that have passed. Memorial pages are a permanent part of the EDOA website.
- Many memorial donors contribute for friends whose dogs and even other dog lovers have passed.
- Starting in 2013 with an expected award of \$500, we have been able to award up to \$2000 with the generosity of the EDOA community.
