Open Space Committee Meeting Reveals Planning

While the plan to change usage rules for Wiley park is new to us, the Open Space Committee seems to have been at it for awhile.

A video of the February 15th meeting shows that many members have discussed this extensively and have firm stances. During recent EDOA contacts with the committee we have advocated for a plan of conservation, cooperation and stewardship that includes the traditional use of the park by dogs including dogs off-leash. It is our hope that meetings to find common ground are in good faith.

Judge for yourself. [View meeting video from February 15, 2023 \[link\]](#) Section from minute 40 to 1:15 discusses committee's plans for our dogs.

"We can start [the ban] with Summers only.

Leashing is the core of our recalculations" - Frances Lewis, Open Space Cmte Chair.

"This so unfortunate. We are part time residents and we always walk our dog there without incident off leash."

- Deb S. EDOA member

Top Dog Winner

Kristen Cannistraro receives the EDOA prize basket in the Top Dog drawing held by the Eastham TownClerk. Kristen has a Yellow Lab named Scooby.

Congratulations, and enjoy.
