EDOA Scholarship Supports Our Students

The Buddy Scholarship will be offered again for 2024. We would like to see the award be \$1500 + .

Generous donors honoring dogs that have passed this year have contributed over \$1000 so far. Now we seek to get that award number to the level we were able to award in 2023.

Can you help us get there?

We welcome donation made a memorials, but hope we can get to the desired level through member contributions—even if it is not for a memorial.

The scholarship is offered to anyone furthering their education or professional training. All recent recipients have been students at Nauset High School although that is not a requirement.

All donations given by the end of February will be part of the 2024 Buddy Scholarship Award. Just a few more days.

Please contribute today.

Remembrances on our Memorials pages does not require a donation. Anyone may add their own messages, photos, and stories on the pages as well.

In my defense, if I did not break the treats, my yellow lab would be unhealthfully obese.
