«FNAME», here is your

EDOA NEWS

Newsletter of the Eastham Dog Owners' Association

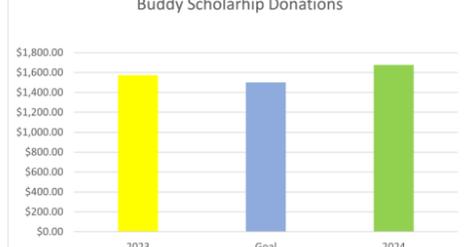

Reminder: TOMORROW

Hear the latest on the interactions with the Cape's largest predator.

Mark your calendar!

Contributions from Tracey Plantier from EDOA, Stephanie Ellis of Wild Care and Stephanie Sykes our Eastham ACO.

Final Award \$\$\$\$ Set

Buddy Scholarship will be \$1675.00

Deadline for application March 18.

Thank you so much for the generous contributions. We have reached our

goal—again.

If you know a student in the field of animal care, veterinary, behavior, biology or any dog-related field of study, please let them know to apply for the Eastham Dog Owners' Buddy Scholarship. This includes training and courses for current workers in the field. Previous winners are not excluded.

[Details, Instructions, and Applications on our website and at Nauset High School.](#) [\[Link\]](#) [See the EDOA Memorials](#) which fund the scholarship and honor our deceased pets and their human friends.

Rabies Clinic April 21st
 Where: Eastham Veterinary Hospital
 When: Cats—9 to 11 A.M.
 Dogs—11 A.M.—1 P.M.
 How: \$20 rabies vaccine
 \$30 microchipping

Most Dangerous Threat to Dogs is Coming

No, not coyotes, bears or even people. It's almost tick season. The CDC reports a 70% increase in diseased tick bites. The increase is not so much the number of ticks, but reflects better reporting protocols.

Diseases carried by the appalling arachnids are more widespread than ever. Local experts say you can assume that all ticks on Cape Cod are carriers of viruses and bacteria that can sicken or even kill dogs and people. [\(More on this is future newsletters\)](#)
